

# ELITE TURF

## NATURAL BLEND PRO

SKU: NATURAL-BLEND-PRO

Natural Blend Pro is the tallest and densest turf around. With field, olive and brown blades coupled with its increased height, it appears even more real and authentic than earth grown turf. With a face weight of 80 oz, Natural Blend Pro performs just as good as it looks, making it the most ideal choice for landscape application such as parks, homes and commercial properties with high traffic.
